

A2M INFOTECH

PRIVATE LIMITED

OUR INTRODUCTION

A2M Infotech is a leading IT training and development company dedicated to shaping the future of technology through expert-led courses, innovative solutions and career-focused programs. Based in Bangalore India, We specialize in providing Affordable, Industry-driven IT courses, Career-Enhancing certifications and Placement Guidance.

MISSION

To connect learners with transformative educational experiences and meaningful internships that equip them with the skills and knowledge needed to succeed in their careers, fostering a culture of lifelong learning and professional growth.

VISION

Transforming education into opportunity by connecting learners with hands-on experiences and real-world skills. We envision a future where every individual is empowered to pursue their passions through accessible courses and meaningful internships, bridging the gap between knowledge and career success.

LEADERSHIP TEAM

Mr. Aniket Choudhary
CEO, A2M Infotech Pvt Ltd

*The visionary behind **A2M Infotech Pvt Ltd.**, Mr. Aniket has dedicated his life to providing affordable courses and internships to learners. He holds a Bachelor of Engineering (BE) in Civil Engineering from Visvesvaraya Technological University, Belagavi, where he was honoured as a Gold Medallist. He also holds a DevOps Engineer Certificate from Bangalore.*

Mr. Mantesh Shinde
CO- FOUNDER, A2M Infotech Pvt Ltd

*Mr. Mantesh is the Co-Founder of **A2M Infotech Pvt Ltd.**, where he established the company with a vision to be a lifelong learning partner for India's young learners, empowering them to excel in their careers. He holds a Bachelor of Engineering (BE) in Civil Engineering from Visvesvaraya Technological University, Belagavi, where he was awarded a silver medal for outstanding performance. He is also certified as a DevOps Engineer from Bangalore.*

Mr. Sadashivaiah C
Business Development Manager

*With a total of **36 years of experience** (34 years in teaching and research, 2 years in construction), Mr. Sadashivaiah has held key positions including Vice Principal and Director at Dr. Sri Sri Shivakumaramahaswamy College of Engineering, Bangalore (2019–2023), Professor and Dean (Academic) at H.M.S. Institute of Technology, Tumkur (2015–2019) and Principal at Karavali Institute of Technology, Mangalore (2015) and PNS Institute of Technology, Bangalore (2013–2015). His leadership roles have spanned academic administration and civil engineering education.*

WHAT WE OFFER

COMPREHENSIVE IT TRAINING

- In-demand courses such as **Data Science, Artificial Intelligence, Full-Stack Development, Cybersecurity, DevOps** and more.
- Industry-recognized, ISO-certified certifications upon course and Internship completion.
- 70% flat discounts on all courses, making quality education affordable.

CAREER DEVELOPMENT & PLACEMENT ASSISTANCE

- 100% Placement Guarantee : Strong partnerships with top MNCs ensure our students are job-ready.
- Resume Building : Tailored resumes that highlight your unique skills and experiences.
- Mock Interviews : Interview preparation sessions conducted by industry experts.
- Career Counselling: Personalized guidance on career paths and job search strategies.

LIVE PROJECTS & INTERSHIPS

- Real-World Projects: Gain hands-on experience by working on industry-relevant projects guided by expert mentors.
- Internship Opportunities: Practical learning experiences that bridge the gap between academics and professional work.

WHY TO CHOOSE A2M INFOTECH

Expert Trainers : Learn from experienced professionals working at **TOP MNCs**.

JOB READY

COURSES WE OFFER

Data Science

Unlock the power of data with our comprehensive Data Science course. Learn data analysis, statistics, and machine learning using Python, R, and SQL. Through hands-on projects, you'll gain the skills to clean, analyse, and visualize data to solve real-world problems.

Total Teaching Hours : 100 hours

~~Price: ₹34,999/-~~ **Price: ₹15,000/-**

Python

Learn Python, one of the most versatile programming languages used in data science, web development, automation, and more. This course covers everything from basic syntax to advanced topics, equipping you with the skills to develop real-world applications.

Total Teaching Hours : 60 hours

~~Price: ₹34,999/-~~ **Price: ₹15,000/-**

Data Analytics

Master the art of extracting actionable insights from data. In this course, you'll learn how to clean, analyze, and visualize data using tools like Excel, SQL, and Tableau. Develop critical thinking skills to make data-driven decisions and solve business challenges effectively.

Total Teaching Hours : 80 hours

~~Price: ₹34,999/-~~ **Price: ₹15,000/-**

Java

Dive into Java, one of the most widely used programming languages for building robust and scalable applications. Learn the fundamentals of object-oriented programming, along with advanced topics like multithreading, JavaFX, and frameworks. By the end of the course, you'll be equipped to develop powerful, enterprise-level software.

Total Teaching Hours : 70 hours

~~Price: ₹34,999/-~~ **Price: ₹15,000/-**

Machine Learning

Explore the world of Artificial Intelligence with our Machine Learning course. Learn key algorithms and techniques for predictive modeling, classification, and clustering. This course covers both supervised and unsupervised learning using Python, enabling you to build real-world AI applications.

Total Teaching Hours : 80 hours

~~Price: ₹34,999/-~~ **Price: ₹ 15,000/-**

AutoCAD Civil

Master the tools and techniques needed for civil engineering design using AutoCAD. Learn how to create accurate plans, 3D models and detailed drawings for construction projects such as roads, bridges and utilities. This course is perfect for aspiring civil engineers and drafters.

Total Teaching Hours : 60 hours

~~Price: ₹11,111/-~~ **Price: ₹5,555/-**

DevOps

Master the skills required to streamline software development and IT operations. This course covers tools and practices for continuous integration, continuous deployment, and automation, helping you deliver high-quality software faster and more efficiently. Learn essential DevOps tools like Docker, Kubernetes, Jenkins and more.

Total Teaching Hours : 70 hours

~~Price: ₹34,999/-~~ **Price: ₹ 15,000/-**

AutoCAD Mechanical

Learn how to design and draft mechanical components using AutoCAD's specialized tools. This course covers everything from creating technical drawings to designing 3D models for mechanical systems, preparing you for careers in mechanical engineering and product design.

Total Teaching Hours : 60 hours

~~Price: ₹11,111/-~~ **Price: ₹5,555/-**

HR & Finance

Gain expertise in managing human resources and financial systems. This course covers essential topics like recruitment, employee relations, payroll management, financial accounting, budgeting, and investment strategies, preparing you for a successful career in both HR and finance sectors.

Total Teaching Hours : 60 hours

~~Price: ₹34,999/-~~ **Price: ₹ 15,000/-**

Block Chain

Understand the revolutionary technology behind cryptocurrencies and decentralized applications. This course covers blockchain fundamentals, smart contracts, consensus algorithms, and how blockchain can be applied across industries for secure and transparent solutions.

Total Teaching Hours : 70 hours

~~Price: ₹34,999/-~~ **Price: ₹ 15,000/-**

Artificial Intelligence

Dive into the world of AI and explore the algorithms and techniques that drive intelligent systems. Learn about machine learning, neural networks, natural language processing, and robotics. This course equips you with the skills to develop AI solutions for real-world challenges.

Total Teaching Hours : 80 hours

~~Price: ₹34,999/-~~ **Price: ₹ 15,000/-**

Cyber Security

Learn how to protect digital systems from threats and attacks. This course covers network security, cryptography, ethical hacking, risk management, and incident response, equipping you with the skills to safeguard information and infrastructure from cyber threats.

Total Teaching Hours : 80 hours

~~Price: ₹34,999/-~~ **Price: ₹ 15,000/-**

MEET OUR EXPERT MENTORS

Mr. Sidharth Yadav

Technical Lead | Senior Engineering Specialist

Expertise :

Java Development, Microservices, Cloud Technologies, AI/ML

Qualification :

B.Tech in Computer Science

Experience :

7+ years in software development and leadership roles

Highlights :

- Designed scalable microservices, optimized performance with Kafka, and led cloud-based solutions using AWS.

Mr. Jaikishan

Certified Data Analyst | Data Enthusiast

Expertise :

Data Analysis, SQL, Python, Tableau, Power BI, ETL Pipelines

Qualification :

B.E. in Computer Science (New Horizon College of Engineering, Bengaluru)

Experience :

4+ years, including roles at Nineleaps Technologies, Mayhem Studios and Amazon

Highlights :

- Worked on impactful Uber-related projects at Nineleaps Technologies.
- Contributed to India's first AAA battle royale game (UGW) at Mayhem Studios.
- Engaged in advanced data analysis and business decision-making at Amazon.

Mr. Ajay Panigrahi

Full Stack Web Developer | IT Educator

Expertise :

Web Development, IT Support, Networking

Qualification :

MCA | B.Com

Experience :

5+ years in tech, including Technical Head & Python Instructor

Highlights :

- Developed a music player app, bulk WhatsApp messaging tool, and a blood donation platform.
- Focuses on data structures, algorithms and backend development.

M/S Roopa

HR & Finance Specialist | Organizational Development Expert

Expertise :

Talent Acquisition, Employee Engagement, Payroll, Budgeting

Qualification :

MBA in HR & Finance

Experience :

4+ years in HR and financial operations

Highlights :

- Streamlined payroll systems, enhanced recruitment strategies, and managed budgets effectively.
